

2009 Garden Club Bus Trip

Possibility Place Nursery
7548 Monee Manhattan Rd
Monee, IL
708 534 3988

Possibility Place is a nursery that features high quality native perennials, shrubs, and trees. It probably has the best selection of such plants anywhere in this part of Illinois. The owner, Conner Shaw, is a well respected expert on native plants who teaches courses and gives talks on the topic for such organizations as the Morton Arboretum.

Private Garden - Betty Nahas, Elwood, IL.

The garden of Betty Nahas has been 21 years in the making and features a number of garden rooms accented by flagstone paths and walls, and a number of cedar arbors and pergolas. It was featured in Better Homes and Gardens in a special issue featuring garden ideas in 2006.

Private Garden - John Griegas, Lemont, IL

The garden of John Griegas is well known locally and was highly recommended by Garden Club speaker Marcy Stewart Pyziak. The garden contains well grown perennials, shrubs and trees of diverse types but the main feature is the extensive number of water features which are creatively designed.

Bus Pickup - 8AM at the Faith Community Church 910 Main St in West Chicago
Bus Returns to the Church.
